Presidents Letter

This may be the hardest Quarterly letter I have had to write. As a Section we have been virtually shut down due to the Corona-19 virus. With that said, we have not been just sitting around either, Ginny has been working in the background trying to hold together our planned events. None of the events have been cancelled, but rather postponed until which time it is determined safe for gatherings of 10 or more.

No one can predict when that might be as you most likely have figured out that is a moving target changing from day to day, if I had to venture a guess it will be late summer to early fall. I just hope everyone is staying safe, follow the rules set out by the CDC and we will get through this we are a strong nation; we are strong people.

That all being said I hope you all have access to the internet and have been able to see just how resourceful people are; the jokes and the parities online have been a great source of laughter around our home. And what about the company in Waxahachie that has come up with a low cost easy to produce respirator. Good Old American ingenuity!

Please be safe, hold your loved ones close, remember this too shall pass. We will meet again as soon as we are allowed, we will raise one high and hopefully shake hands and **God** willing hug a friend. We will continue to keep you posted on the status of future events.

Rick Everett

First Quarter Event Reports

March, 2020

Impromptu Virtual Board Meeting

This was a last-minute gathering of a few members who usually show up to our board meetings. This was not an official MBCA meeting, just a few friends from the section catching up.

February, 2020

Thirty-Four members of the Lone Star Section got traveled to College Station for our Pre-Valentine's Day overnight trip to the Stella Hotel. Our drive took us to lunch at the Brenham Grill and "an interesting winery" along the way.
