President's Message

I hope the new year is off to a great start for all of you. We ended 2011 with a fantastic Christmas Party, thanks again to Charlene Casillas for overseeing all the events of the past year.

2012 began with our first meeting at The Daily Grill in the Domain, the service and food were delightful. Many thanks to Mark Gordon our new Membership Chairman

for arranging such a wonderful venue for the club meetings.

We have been busy planning the years activities and I think it will be a great year. We have some Tech Sessions planned for February and March, then the Hill Country Run with the Fort Worth Section in April, followed by a Show and Shine with the new Hill Country Section in May. We have reserved the Lone Star Charter Boat on Lake Austin for early June and then will take a little time off before the fall.

We will again host the Fall Tri-Marque Concours in partnership with the Tejas Chapter of the BMW Club. We are working out the details as to when and where and will be looking for volunteers to help with the event , please contact me if you would like to get involved.

This year will be my last as President. I believe it is important to bring new blood and fresh ideas to the organization. I encourage those of you who are interested to consider serving the Club. It has been personally rewarding on many levels and I thank all of you for the opportunity to serve.

As always, I encourage our members to take an active role in the Club. We are always looking for help in providing content for the newsletter and the website. We also value your feedback regarding future events you might like to attend.

Drive Safely!

Monthly Meeting

The Austin Daily Grill

Our kickoff meeting of the year got things started on a positive note. The food, staff and service at the Austin Daily Grill was fantastic. We were also fortunate to have a few long time members join us as well as a local technician who introduced us to his business. Chuck who's business is named Chuck the Mechanic (www.chuckthemechanic.com) gave us a brief summary of his training and experience then opened the floor to questions.

Thanks again to Mark Gordon for arranging for the Club to meet at such a nice venue.

We will also have our meals (except for our Saturday lunch, which will be in Marble Falls), entertainment, and social at the Purple Sage. We will have 2 games - an optional test of skill after our arrival on Saturday, and another one after Saturday night dinner. The winners of both games will get great prizes. Our Sunday Drive will take us to Luckenbach, Texas, that near-mythical town made famous by Willie Nelson and Waylon Jennings.
